

SUMMER SCHOOL

PETER THE GREAT ST
PETERSBURG
POLYTECHNIC
UNIVERSITY
HUMANITARIAN
INSTITUTE

Founded 120 years ago, Peter the Great St.Petersburg Polytechnic University is major school of higher technical education in Russia. Today, the university has more than 33 thousand students studying under various educational programs, nearly 7 thousand are international students.

Polytechnic University has a high ranking in the global academic community. The University expands its international partnership networks from year to year. Among University partners are many academic institutions and industrial companies from all over the world: more than 400 partner universities from 68 countries and over a hundred world's foremost companies have direct contracts with Polytechnic University.

The University's campus consists of more than 100 educational and research buildings, the House of Scientists in Lesnoye, the International Student Campus, 23 dormitories and a major sports complex. Our dormitories are located within easy reach of University's educational buildings; two of the dormitories are dedicated specifically for international students.

The core historical part of the campus is situated in a captivating park which has always been a place of inspiration and subject of love for many generations of students and faculty

Duration: 3 weeks

ECTS credits: 5.0

THE COURSE PROVIDES STUDENTS WITH COMPREHENSIVE INTRODUCTION TO

- SOCIAL GEOGRAPHY
- MODERN GEOPOLITICS
- CULTURE AND SOCIETY
- SOCIAL ANTHROPOLOGY
- MEDIA SOCIOLOGY

ABOUT US

We offer interdisciplinary program “Sociocultural Study” that explores the complex networks linking local social and cultural life with global structures and processes. This program, being a unique integration of Sociology and Social Anthropology and Social Geography, focuses on the interaction between Russian people and their environments, built and natural, and on local-global linkages. Within the partner university workshop, you will identify your social competencies. Rich extra academic activities will bring you into inner life of the Russian Cultural Capital.

COURSE DESCRIPTION

SOCIAL GEOGRAPHY

The main objective of this course is to acquaint students with the landscape, population, ethnic and religious diversity, environmental management, urban and regional planning
ECTS: 1.0

MODERN GEOPOLITICS

The course is aimed at giving students information about influence of geopolitical theories and doctrines on political practice. The discussions will include geopolitical analysis of uni-polarity, globalism and American hegemony
ECTS: 1.0

MEDIA SOCIOLOGY

This course is aimed at giving students information about Russia media space through the representations of various cinematic traditions (including documentaries)
ECTS: 1.0

CULTURE AND SOCIETY

This course is multifaceted and focuses on a collection of related ideas rather than on a single unified theory. Our discussion in this course will center on research that describes culture, cultural changes and parameters of cultural dimensions, and the effect of culture on the leadership process
ECTS: 1.0
